Kia Ora,

Welcome back to school! We hope that you had a safe and fun summer and have managed to get back into the swing of things with school and are all settled in. We have heaps happening in 2009 and we don't want you to miss out, so make sure you keep in touch with your regional coordinator and keep an eye on our website.

Many of you out there will have some new Regional Coordinator's to meet and introduce yourselves too; be sure to check out who you can contact from your region as we have a great new team on board to see in the new year.

Conference is coming up. Hopefully you've heard a bit about it by now, but if not there will be THREE to choose from in '09! We will be in Christchurch from 14-16 April, Auckland from 19 – 21 and Wellington from 23 – 25 and we hope to see you there! Registrations are limited so get on to it soon!

We are really excited about the year to come and plan to keep you posted with events and activities throughout the year via our website. We are currently redeveloping the website at the moment, and want your feedback, so keep an eye out for the new site over the next few weeks and let us know what you think!

Good luck for the year, we stoked to have you on board in 2009!

Kind regards,

You may have already been in contact with them, but if not—make sure you drop them an email to introduce yourself and get all the info about what is happening with SADD in your region. There maybe workshops or events happening that you can get involved with, and the coordinators may also be able to help you with getting to one of our 3 National Conferences this year.

SADD National Conference 2009

Stakeholder Expo

This year at all three SADD Conferences, we are holding 1 hour long Stakeholder Expos. This is an opportunity for stakeholders who would like to be involved with SADD to introduce themselves to students and provide them with information that may be helpful to them while they are SADD representatives. If you are interested in taking part in an expo, contact the Regional Coordinator in your area or National Office.

This year, SADD is hosting **3 (yes 3!)** conferences. For the first time ever, there will be conferences in Christchurch, Wellington AND Auckland.

- ♦ **Christchurch Conference**
14—16th April @ St Bedes College, Papanui
Registrations Close: Tuesday March 31
- ♦ **Auckland Conference**
19—21st April @ Epsom Girls Grammar, Epsom
Registrations Close: Friday April 3
- ♦ **Wellington Conference**
23—25th April @ St Patricks College, Silverstream, Upper Hutt
Registrations Close: Friday April 3

Numbers will be strictly limited to 100 students per conference, so get your registrations into National Office ASAP! Registration forms can be downloaded from www.sadd.co.nz—you will find them on the “About SADD” page.

Getting to conference can be expensive. Fundraising is a great option or you can get in contact with your Regional Coordinator to see if funding is available in your region. If you're not sure who your Regional Coordinator is, a full list of contact details can be found on the SADD website.

Conference is a great way to learn more about SADD, meet heaps of new people from around your region and beyond and have heaps of fun! We would love to see you there!

Post your registrations to: SADD National Office
P O Box 1342
Dunedin 9054

You will receive an information pack when your registration is received, as confirmation of your place at conference. Please do not book any travel until your place at conference has been confirmed.
